WORK EXPERIENCE

Camp Walden, Bancroft, ON, Canada Summers 2015-2018
Canoe Trip Leader, Head of Canoe Tripping (2018)

- Guided children aged 9-16 on canoe trips of differing duration and difficulty through provincial parks across Ontario; appropriately challenged children to encourage growth as leaders, raising program attendance by 10%.
- Developed staff and camper confidence in making difficult decisions and obtaining wilderness skills, through skill training and discussion on trips, which created capable trip leaders within the program and being selected as staff member of the year by directors (2017).
- Researched all logistical aspects of canoe trips through historical and available options, to reduce costs of the program by \$5,000 annually.

OTHER ACTIVITIES & INTERESTS

Western Hillel (club) Vice President of Philanthropy, Fundraiser Coordinator 2017-Present

- Organized charity fundraiser gala events to raise money for unique, worthwhile charities such as Camp Oochigeas and Chai Lifeline, by creating relationships with the charities and venues and promoting the event resulting in over \$2000 raised in each event sending a child with Cancer to summer camp for a week, and providing assistance with prescription drug payments to those in need.
- Facilitated opportunity for members of Hillel to volunteer across the London community by coordinating with organizations such as London Food Bank, and Boys and Girls Club of London, resulting in a 12 yearly engagements with 90% attendance.
- Partnered in campus wide outreach to create powerful relationships and dialogue amongst Western University clubs on various issues to create more awareness on cultural diversity and social issues.

Zeta Beta Tau (ZBT) – Zeta Eta Chapter (fraternity) VP/Director of Operations 2017-Present

- Mentored various committees dedicated to creating beneficial activities for all members of the fraternity through guiding leaders in their responsibilities and organization, collaborating successfully enabled and grew fraternity membership by 25%
- Established unique and varied existing fraternity events including annual road trips and bi-annual formals through budgeting as well as booking all required spaces and transportation, creating more engagement and being voted brother of the year in 2017 and 2018.
- Reconciled any issues and led through major decision making to ensure a high standard was held to the ZBT code of honor, and that the fraternity operated at a high level, producing a successful chartering of the colony.

Track 3 London (volunteer program), Level 1 Snowboard Instructor Winter 2017-2018

- Taught snowboarding to students with cognitive disabilities, developmental delays, or physical disabilities by implementing strategic lesson plans for productive learning along with a co-instructor, to cater to the individual needs of each student, leading to unassisted downhill skiing by the individuals.

Magen David Adom (emergency medical service provider), Volunteer Paramedic Summer 2017

- Aided people in need of emergency service in a basic ambulance and mobile intensive care unit in life-threatening situations providing life-saving care.
- Collaborated with other team members to determine the best approach in various emergency situations to ensure patient care remained the priority and was executed as efficiently as possible, allowing for increased amounts of time to assist those in need.
